Mr. Edward Strauthers,
Box 323,
Mercersburg, Pa.

Dear Sir:

In answer to your letter of Jan. 22nd, referring to a young Ball player named Leonard Strauthers, it would be impossible to carry every ball player who applies to Training Camp, we could not take this risk unless a man has been very highly recommended by some one whose opinion we can respect. If the young man is ever in this neighborhood or vicinity where any of the League Teams are playing, I am sure the Manager will talk to him and give him a chance to show his ability. Sorry to be unable to take him on your recommendation at this time.

Very truly yours,
